xSuite Group To Host Live Session at 2023 ASUG Best Practices

xSuite to Host Session Discussing How to Leverage RISE and the SAP BTP to Reinvent Your AP & P2P Processes.

February 28, 2023, Ahrensburg/Germany; Southborough, MA

xSuite Group, a global leader in SAP-based Procure-to-Pay (P2P) workflows that specializes in streamlining Accounts Payable (AP) processes, today announced it will be hosting an educational session addressing company migration to S/4HANA and AP processes at the 2023 ASUG Best Practices Conference (March 7-9, 2023) in Glendale, Arizona.

Conference attendees can visit xSuite at Booth #14 and meet Danny Schaarmann, President & CEO at xSuite North America Inc., who will host a live session entitled “Keeping the Core Clean: Intelligent Automation for SAP S/4HANA.” This session will discuss:

- How to leverage RISE and the SAP BTP to reinvent your AP & P2P processes
- AP & P2P automation as an example on how to leverage your S/4HANA migration to reinvent your business processes
- Danny will compare two scenarios with the audience: a private cloud approach, e.g., RISE with SAP, and a public cloud approach utilizing the SAP Business Technology Platform.

As a pioneer in Accounts Payable Invoice Automation (APIA) for SAP, xSuite will show how the AP department can serve as an in-house leader for showcasing the benefits of reinventing existing business processes while moving to S/4HANA.

About the Summit

ASUG Best Practices: SAP S/4HANA® and SAP Business Technology Platform (BTP) 2023 is a two-day conference in Glendale, Arizona that provides SAP professionals with comprehensive insight into a successful SAP S/4HANA transition. Attendees will receive expert advice to build their own analytics strategy for the move, driving transformation with S/4HANA and the latest best practices. Those attending will have access to 24+ educational sessions, keynotes and panel discussions led by SAP leaders, industry experts and SAP customers.
