

AmyPro Solutions and xSuite Group Enter Strategic Partnership

Leading Spanish consultancy in digital transformation to offer SAP-certified solutions from global accounts payable automation expert xSuite

November 20, 2025 — Ahrensburg, Germany/Madrid, Spain

AmyPro Solutions, S.L. has entered into a strategic partnership with xSuite Group. Finalized in September 2025, the agreement establishes AmyPro Solutions as a new Solution Partner of the German software provider. Moving forward, AmyPro will market, implement, and support xSuite's solutions for automated invoice processing and digital archiving in Iberia. The partnership represents a significant expansion of AmyPro's SAP-focused service portfolio with modern, intelligent software solutions.

Based in Madrid and operating internationally, AmyPro Solutions is a consulting firm specializing in Enterprise Content Management (ECM) and digital transformation. The company optimizes business processes through advanced content management and process automation strategies, primarily within the SAP ecosystem. With deep expertise in accounts payable automation, AmyPro helps organizations streamline and integrate their SAP systems. As many companies prepare for the transition to SAP S/4HANA, demand is increasing for modern replacements of legacy systems, especially in invoice management.

Through this partnership, AmyPro can now offer SAP-certified solutions supporting all SAP deployment models—cloud, on-premises, and hybrid. xSuite's end-to-end solutions, particularly in invoice processing and digital archiving, are well known for their flexibility and innovation. A forward-looking product roadmap and the integration of emerging technologies make xSuite a strong, future-ready choice for companies undergoing SAP S/4HANA transformations.

Francisco Fernández de Ocaña, Managing Partner, AmyPro Solutions, S.L.

“We are very pleased to welcome AmyPro as our new partner in Spain to strengthen xSuite’s presence in the Iberian market. AmyPro is highly experienced in AP automation and archiving and will play a key role in acquiring and implementing new customers in Spain and Portugal,” said Jan Bienefeld, Vice President International Partnerships at xSuite.

Francisco Fernández de Ocaña, Managing Partner of AmyPro, added: “By combining our consulting expertise with xSuite’s advanced software, customers gain intelligent, efficient and sustainable process optimization. We are very experienced in AP automation and digital archiving solutions and we are convinced that the xSuite solution is a perfect fit for customers in Iberia looking for deep SAP integrated solutions which can also guarantee future readiness by providing versions for the SAP BTP.”
